FOR REGISTRATION & PRICING

Wounded Spirits Ministries takes a biblical approach to dealing with the many aspects of PTSD and the issues of trauma or grief. We welcome all individuals struggling with any or all of the many aspects of PTSD or have a desire to help those they know who are struggling with PTSD.

To register, please visit our website to reserve your spot at this year's Bemidji retreat.

"Most people with thoughts of suicide don't want to die—instead, they are looking for a way to work through the pain in their lives. Through their words and actions, they usually invite others to help them in making a choice for life. safeTALK teaches participants to recognize these invitations, engage with the person with thoughts of suicide, and connect them with resources to help them be safer from suicide."
